

Family Services of the Merrimack Valley

2024
ANNUAL REPORT

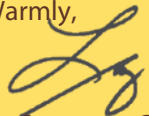

FROM OUR CEO

The year 2024 was Family Services' 170th anniversary! WOW! Since its establishment in 1854, Family Services has grown and changed in dramatic and exciting ways. What has stayed constant is our commitment to uplifting children and families throughout Essex County - which we do in many deeply impactful ways.

For some of the 8,000 individuals we reached this past year, that impact came in the form of basic needs such as diapers or groceries. For others, it was the transformational effect of their relationship with a volunteer mentor, advocate, or case manager.

We are honored to provide this vast array of innovative programs and services that help everyone grow and thrive as members of their family and community.

We could not have reached this point without the involvement of so many individuals and organizations. This past year, we were joined by 901 donors, 438 volunteers, and 125 staff members. It is this support that has created the foundation of hope and compassion that we provide to so many. For that we are deeply grateful.

Warmly,

Liz Sweeney, CEO

8,029

lives positively impacted across 43 communities

MEASURES OF IMPACT

19,375

calls answered on our Suicide & Crisis Lifeline

267

young people matched with adult mentors and advocates

438

volunteers donated

10,229

service hours

4,939

counseling sessions held

444

people trained in suicide prevention and youth mental health

642

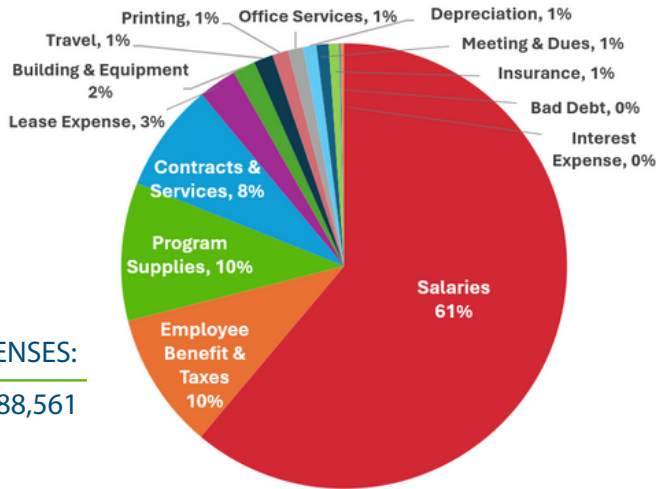

classes and events held to provide knowledge, skills, and opportunities for personal growth and success
